## Old Business

---

Carnival Day is getting close. Ellie will be reaching out to Group 2 ( Stephanie Lopez, Amy Rakow & Katie Clark) to give them a rundown of what usually takes place. They will be responsible for shopping, food preparation and clean up for the event.

Update on Playground: We discussed the \$3,000.00 PTL had decided to give to the playground fund, (we had a donor match that \$3,000.00 to meet our budget). That donor ended up not only matching our \$3,000 but also donating another \$17,000.) Since this has taken place, I made a motion to move the previously discussed \$3,000 from PTL to the furnace install project instead. This was discussed with the donor, and they were okay with us moving the funds PTL had matched from the playground fund to the furnace fund. Vanessa Hasenberg seconded the motion, and it was carried. We should have plenty of funds for the completion of the playground. God is good!

## New Business

---

Mr. Denkert has asked if the 2023 FUN RUN could raise funds for a gym sound system and any gym repairs that may arise. This was agreed upon by all present.

Kate Mikle has requested (per Ellie) to resign from her treasurer position. Kim Gruetzmacher is currently holding this position alongside Kate. We will remove Kate Mikle from the PTL bank account and add Kim G. Vanessa Hasenberg is on the bank account since starting the FUN RUN. She will be removed as well. It was discussed that it may be beneficial and ease tasks if we were to add Kim Krings, or another school staff member. We will decide that at next month's meeting.

MOVIE NIGHT NOV 4<sup>th</sup> Group 3 oversees Movie night. (April Young, Paula Buhandt, Tina Hanson & Robert/Barbie Saeger) 330-400 will be snack, Scavenger hunt starts at 400 (Run by Amber Wozniak), Supper will be served at 500 and the movie will start once everyone is thru the line. We will shoot for a shorter movie to keep the night ending around 700pm.

Ellie will be emailing Group 3 to let them know the time frames and their responsibilities for the night.

## Budget/Funds

---

There was no financial discussion at this meeting. Kate Mikle was not present. There are some transfers that need to take place now that the playground renovation is close to full swing. Ellie will contact Kate to get her that information.

Amber Wozniak gave a short recap of the Fall Fundraiser. We met the \$1000.00 goal for Chiks-n-Dip to make the 50% profit on that portion of the fundraiser! Amber has everything mailed in and we will pray for no shipping delays! If anyone has received anything damaged, please contact Amber and she will get you a new product.
